## **President's Letter**

GOODBYE FEBRUARY— WELCOME MARCH! I'm certain we are all happy to see February end. It was a terrible storm. On a more positive note, many of Vicksburg Village residents have been able to obtain COVID vaccinations. Hopefully, we will soon be able to return to some of our normal activities—Wednesday morning coffee, cards, games, potluck dinners, etc.

Our postman has asked me to remind you to check your mail every day. He has no say in how much junk mail there is – don't blame him. If your mailbox gets too full, you'll force him to send your mail back to the

post office where you'll have to go to pick it up. Meanwhile, it takes extra time to scrunch your mail in the mailbox – time he's expected by the post office to use to deliver mail elsewhere.

- I see people my age mountain climbing. Meanwhile, I feel good getting one leg through my underwear without losing my balance.
- Ate salad for dinner last night. Mostly croutons and tomatoes. Actually, just one big round crouton with tomato sauce and cheese. OK already! So, it was a pizza.
- I may not be that funny or athletic or smart or talented... forgive me; I don't remember where I was going with this.
