President's Letter

First, I want to thank Bob Brooks for taking over in my absence. Also, a thank you to the entire Board for all they have done since my accident. I am getting much better but still have a ways to go before I am fully recovered. It was hard to learn to use a walker with my left arm since my right is in a sling but it's amazing what you can do when you have no choice. I hope to soon be able to use my right arm again. My broken hip is healing nicely, and I am gaining more and more strength each day in that leg enabling me to walk more easily. I do hope to resume my duties as President in October.

It has come to the Board's attention that a city issue could greatly affect Vicksburg Village Homeowners Association. Bob Brooks has, therefore, scheduled a special Homeowners Meeting for 7 p.m. on September 15 at the Clubhouse. I would like to encourage all our owners to attend this important meeting. We will be considering amendments to our CC&R's to restrict short term rentals. Approval of any changes to our CC&R's requires a vote by the members of the association. It is therefore mandatory that we get your vote by person or proxy so that we can obtain a quorum. Please reserve this date on your calendar. We hope to see all of you then.

Ron Ballard, Board President
